## CITIZENS OBSERVE HALLOWE'EN NIGHT WITH FESTIVITIES

Hundreds Attired in Costumes Parade Down Town Streets—Many Parties Held.

Despite the fact that there was no municipal celebration Tuesday evening, the Halloween spirit prevailed and hundreds of citizens donned costumes, forgot their troubles and participated in merry-making. The downtown streets were crowded and the masqueraders formed a parade, in which Egyptian, Hawaiian, Spanish dancers, brides, clowns, old women, country constables, Uncle Sam, Indians, Mexicans, etc. marched down Lincoln way.

A number of parties were held throughout the city. Golden Rod Five No. 130, Ladies of the Moosehouse entertained at a masquerade dance at the K. of P. hall and hundreds attended. Prizes were awarded for the best costumes. Program of dancing was enjoyed and music furnished by the Shipman-Moran orchestra.

Mrs. Grace Hupp, 815 E. Lawrence st., delightfully entertained the members of the Home Grove Drill Team club. Costumes and Halloween stunts were enjoyed. Refreshments were served.

Mrs. Jacob Raugh, 602 W. Sixth st., entertained the members of the Royal Neighbors at a Halloween party. She was assisted in entertaining by Mrs. Charles Hoffman, Mrs. Fred Schrott and Mrs. Lewis Welter. Costumes and music featured the evening's program. Refreshments were served.

Halloween night was observed at

the Mishawaka roller skating rink, 108 N. Mill st. Hundreds of masqueraders attended and enjoyed a skating program. Prizes were awarded. Favors were given for the most comical costumes.

A masquerade dance was given at the Pastime hall under the auspices of the National Guards.

"New Light on Daily Living" was the subject of Mrs. Gertrude Alma Tiffany, who delivered the first of a series of lectures on practical psychology Tuesday afternoon at the Moose hall. In the course of her remarks Mrs. Tiffany, who is an able speaker, promised her audience that by the study of this new psychology they can be well, happy and successful.

Her subject for this afternoon will be "Control of Emotions—the Cure of Worry." Mrs. Tiffany is a co-worker of Mrs. Effie McCollum Jones. These lectures, which are free, will be given every afternoon including Sunday, at 2:30 o'clock.

## TWO SPEEDERS GET IMMEDIATE TRIALS AND PLEAD GUILTY

Judge Raab Hears Case Against Speeders and Accepts Fines Quickly.

Three alleged speeders and one driver whose car was not carrying proper lights, were caught in the net of Motorcyle officer Stanley Marchant, Halloween evening. Two of the speeders admitted their guilt and asked for an immediate trial.

These speeders, whose names are H. J. Hecht, 1402 Miami st., South Bend, and James H. Peacock, Sparrow, Mich., laid their request before Judge John M. Raab in his office who granted it. Both men pleaded guilty and paid fines of \$1 and costs, the entire proceeding being consummated within the space of 15 minutes.

Joseph Takier, of Detroit, Mich., was picked up by Officer Marchant on the Lincoln highway, and charged with improper lights. Takier was told at the police station that if he would go to one of the garages in the city equipped to adjust lights and get his headlights fixed, the charges would be dropped, to which he gladly consented.

Raymond A. Reed, 1115 Edwinstown st., Elkhart, was arrested on the Lincoln highway, charged with speeding. He will have his hearing Saturday morning.

No serious Halloween depredations or mishaps were reported to the local police, although a little private property was reported moved and one or two street lights were said to have been broken.

**TEMPLE**

A husband's moral code is never so strict as when his wife steals some of his own stuff. Monte Collins, gay and irresponsible trifter, had no idea how his actions appeared in the eyes of his wife until she exercised the same freedom he enjoyed himself. He didn't like it! What did he do about it?

See "Woman, Wake Up!" starring Florence Vidar at the Temple theatre today. This story by Ben Moore, directed by Marcus Harrison and presented by Associated Exhibitors, is a comedy-drama of romance after marriage. While the courtship of Anne and Monte Collins is shown, the story really commences where stories usually end — with "they lived happily ever after."

**CLASS ENJOYS PARTY**

The Daughters of Ruth and the Young Men's working class of St. Andrew's Evangelical church entertained at a Halloween party Monday evening at the Maccabee hall. Prizes were awarded to Stanley Lester and Herman Schiffer, Jr. Refreshments were served.

## WARNING ISSUED BY POLICE CHIEF ON SLING SHOTS

At this time of the year, sling shots seem to come into popularity with small boys, who seem to find a target in everything that stands still very long. Although a sling shot is usually considered a harmless weapon, it is remembered that the death of Goldie was credited to David and his sling shot.

A number of cases of alleged poor judgment in the choice of targets have been brought to the attention of the local police department, and Chief of Police W. Barrows has found it necessary to warn against their use and that unless the reports of these depredations cease to come before the department's attention of a stringent nature will be the result. The latest accident blamed against the uncensored use of a sling shot, happened at the Walter Niles home, 222 Niles av., when a small slug struck a window pane on the second story with such violence as to shatter broken glass over a member of the household nearby. No injury resulted other than the broken pane, but according to the story told, the victim might possibly have ended differently.

## DORCAS SOCIETY GIVES SILVER TEA TUESDAY AFTERNOON

About 150 ladies attended a silver tea given by the Dorcas society of the First Methodist church at the home of Mrs. A. S. Winey, 43 Mishawaka av. E., yesterday afternoon. Tea was served in the dining room the decorations being in keeping with Halloween. Mrs. Ralph W. Gaylor and Mrs. Chester Laidlow poured, others assisting the hostess being Mesdames L. Wildermuth, Frank Rohm, M. D. Wygant. During the afternoon a pleasing program was given by Miss Nollie Winn, supervisor of music in the high school who contributed solos; Mrs. I. K. Parks and Mrs. Mary Doolittle Grooves, violin and piano selections, and Miss Bess Warner who contributed a reading. The affair was of a most pleasant description.

## DRUNK ATTEMPTS TO 'WRECK' JAIL

Man Who Resisted Arrest Must Pay for 'Broken Bunk' If Leniency Shown.

Thomas Fite, 314 S. Union st., charged with assaulting his wife, Eva Fite, was found guilty by Judge John M. Raab in the city court, Tuesday morning, and was fined \$25 and costs.

According to police officials, the Fite's fight have come to their attention several times, each time a different way. The wife, Eva, accompanied by a girl, was reported to the police as having run away from home some time ago. The Fites have been married about 14 months, according to the husband. George Rob, 507 E. Mishawaka av., arrested Monday afternoon by Chief Harry Barrows, on Cedar st., and charged with public intoxication was fined \$25 and costs, and sentenced to 10 days in jail, suspended on condition that he would pay for damage done to the local jail.

According to witnesses, when Rob saw the chief coming, he ran away, throwing a bottle of liquor against an iron railing as he went. He later resisted arrest and had to be forced into the wagon. When lodged in jail, he spent part of the evening, breaking up the furniture in the cell. The only damage however, was a broken bunk, further depredations being prevented by hand cuffs.

Basili Parker, 1222 E. Dayton st., South Bend, was arrested Tuesday evening by Motorcycle Cop Marchant, charged with running his car at an excessive rate of speed in the city limits. His appearance was set for Saturday morning. When taken to the police station, Parker admitted going a little faster than the law allows, but Marchant insisted his speedometer indicated he was badly sprained in trying to register the speed his motorcycle was going in, catching up with Parker's car.

## UNKNOWN MAN FOUND IN COMA; THOUGHT RESULT OF BOOZE

Tuesday evening, it again became necessary for the local police department to issue a "John Doe" warrant for a drunk, picked up on the four corners, about 6 o'clock. The arrest was made by officer Kritek and the man was said to have been in an almost paralyzed condition.

When taken to the station, he was unable to tell his name, business or anything in particular, his answers to various questions being made in an indistinct mumble.

This is the second man within less than a week, picked up at the same place and in the same lethargic condition, and said to be the result of an over imbibing of strong "likker."

## Entertain Friends at Unique Halloween Party

Mr. and Mrs. Frank E. Coats entertained a party of 45 of their friends at a regular Halloween party in the attic of their home, 216 Lincoln way E., Monday evening. The ghosts, spooks, witches and all the horrible examples of Halloween were featured in a unique way. Up on the opening of the program of entertainment, George Anderson

read the tradition of "What Halloween Really Is." The guests then were taken into the attic, where there was a large operating table containing hog brains, heart, liver, etc. Mrs. George Anderson read one of Shakespeare's writings on "How Smith Was Killed on a Dark Night" and the contents of the table were passed around. After this,

stunts in keeping with the occasion were enjoyed. Refreshments were served.

**LEAVES HOSPITAL**

Lawrence Maier who has been at St. Joseph's hospital suffering with a broken leg, has sufficiently recovered to leave.
